Send me on my way

ur senior year has finally arrived and along with it, the beginning of a whole new life for many of us. We all remember the first day of freshmen year, coming to a new school, and seeing so many new people. Looking back on that day four short years later, it is amazing to realize how many friends we have made and experiences we have shared. These times have brought us together, not only as a class of students but as friends. It hasn't always been easy, with so many different kinds of people, but, as we are bringing childhood to a close, a common bond has formed between us all.

As the class of 1998, we are being sent out into the world as adults. For whatever we choose to do in life, we must embrace the challenges that lie ahead, and face them with confidence. The good and the bad times of these four years at Wachusett have taught us many valuable lessons. What we have learned here, inside and outside of the classroom, has provided us with the knowledge that will send us on our way to success. As we prepare to say goodbye to friends and family, we must guard memories well; we will need them along the way.

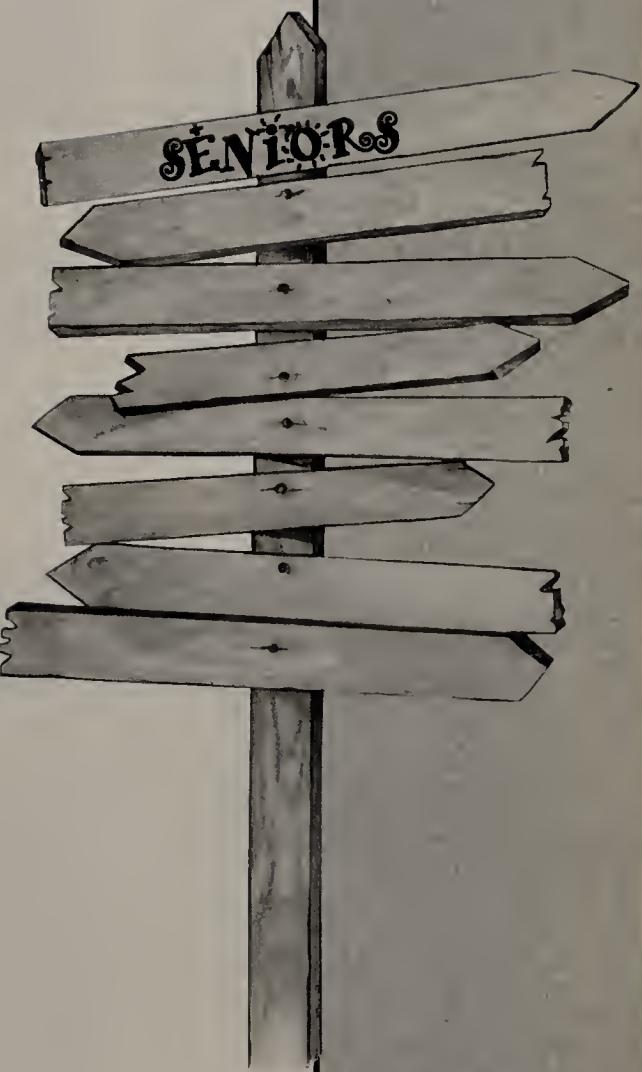

# Send me on my way

# Leading the Way

Over the past four years at Wachusett, we have all grown and changed to become who we are today. We are seniors, something that we have been waiting for, but more importantly, we are all individuals. Within the school and the community, we have worked hard to create a niche for ourselves to explore our interests and to grow within these areas. Now is a time not only to reflect on all that has happened to make us who we are, but to look ahead in wonderment at what we might become. This is a time like no other to do what we can for ourselves and for each other; to make our mark. So as we turn the pages of this year book, we will remember the laughter, the tears, and the friends with whom we have shared these times. Good luck class of 98!

## memories

we began, really, four years ago  
nervous freshman, in outfits  
picked out months ago, big kids  
now, knowing high school meant  
parties and big games and freedom  
on that first day our worlds swelled  
to encompass five towns, our minds  
broadened to enfold each other.

we have lived, eaten, studied together;  
dabbed green face paint all over out faces  
to stand in layers of wool and fleece  
cheering on the team; scribbled on tiny  
paper scraps the latest news to flick  
towards a friend's desk during algebra;  
struggled to reach the finish line ahead of the  
girl in the blue uniform at our heels; sat  
listening to minutes pass or pencils drum or  
perhaps even a teacher's voice now and then;  
stopped to look at a classmate's art through the glass,  
straining to read the name in the corner; snuck  
to the front of a cafeteria line; argued over  
parking tickets, groaned about report cards;  
smiled to a friend in the hallway;  
we have done these things together.

and here we will end  
on a podium at graduation; with a framed  
diploma and tattered concert programs  
ticket stubs and photographs  
broken hearts and endless laughter  
championships and memories  
and promises from friends, from teachers,  
from yourself as well--  
keep in touch...don't forget...write to me...call...  
and always, always remember.

# World Travelers

This year students from WRHS broadened their horizons in Costa Rica, France, and Italy.

The Costa Rican travelers were part of a two week exchange program. We hosted students from Colegio Marista in January and then spent time in April absorbing the culture and practicing our Spanish with advisors Lisa Fournier-Kowaleski and Brenda Court. The students included: Arlyn Bottcher, Jennifer Cheslawski, Jen Forleo, Donnie Jenkett, Leah Knipe, Meredith McMullen, Nicole Chandonnet, Ginny Rose Runstrum, Alison Salter, Chris Shepard, Kristine Sjogren, and Rachael Youngs. We enjoyed a Quinceaños fiesta, the beautiful beaches, the beans and rice, and that HEAT!

The Italy-goers included Sarah Billings, Glenna Brown, Emily Bullock, Stephanie Castellani, Kim DiVincenzo, Amie Donegan, Mary Dorman, Jen Dower, Becky Faneuf, Noelle Hauer,

Hilary Jenkins, Ken Johnson, Seth Moriarty, Louisa Morris, Holly Rasku, Kerri Spindler-Ranta, Tracy Sullivan, Toryn Thompson, Travis Thompson, Vanessa Ursoleo, Karen Vostok, Katie Waterfall, Drew Weymouth, Joanne Wilcox, Diana Wilkins, and Sara Winacoo. Whether on a gondola in Venice, shopping in Florence, or roamin' with the Romans, we had a great time, especially looking at those boys! We want to thank our fearless leaders, Mr. & Mrs. Hedlund, Tim Hedlund, Mr. & Mrs. Rasku.

After a long awaited year to see their foreign friends who had stayed at their houses, our nine student, Brian Boniface, Amanda Brandes, Sandra Fauteux, Cara Freitas, Erin Gardner, Liz Hall, Ginn Kerr, Tim Rooney, and Bridget Shanahan. They went to the top of the Eiffel Tower and ate some great pastries. Thanks to their leader Ms. LeMay.

# Senior Class Advisors

Ms. Swidey

Dr. Pandiscio

Mrs. Komenda

Mr. Barney

Through our four years at Wachusett we have depended on the steady, guiding hand of our class officers and adult advisors. Whether we were building a Homecoming float in the rain or brainstorming on the color streamers we wanted for prom, they were there working with us. Each year they collected our dues, planned our class trips, and wrote new election speeches with the help of our adult supervisors.

Ms. Wojcicki

Ms. Philbil-O'Connell

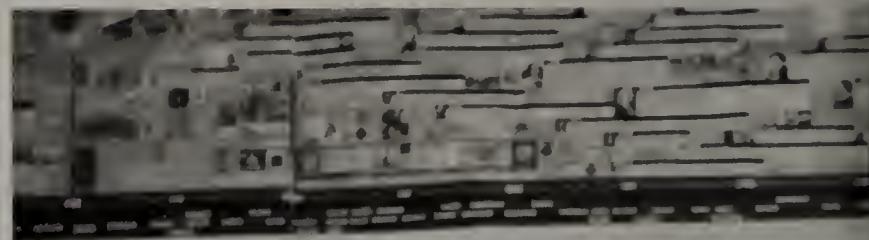

Mr. Gribouski

At this time we would like to extend our thanks to those who put the needs of the class before themselves. To all those who stayed late at that meeting to get the job done, we appreciate it. We have depended on you and you came through for us each time. Although there are many members of the class of 98' who have contributed their time, you have been there to lead them. Because your devotion will not stop at graduation day we look forward to your continued contributions in our future reunions!

# Send me on my way

# Fun Along the Way

Through our four years here at Wachusett many events have brought us together as a community and as a class. Whether we were coming together to build our floats, marching with friends in the parade, or challenging our arch enemies to an intense jello wrestling match, we have learned about ourselves and the Wachusett spirit. When we took that last look in the mirror before we left for our first Winter Carnival we didn't really know much about our classmates or what to expect from a Holden Hills gala. But as each year passed and each event filled our calendars we began to really get to know all the members of the class of 98'. We reached a new level of understanding with our friends and our circle of commorades grew. And, by the time we took that last look in the mirror, before that much anticipated Senior Prom, we had a new understanding of that reflection. We were ready to be sent on our way, towards the new events that lie unknown in the future.

# Send me on my way

# Following the Way

Our friends who are not fortunate enough to graduate with us have definitely helped us along the way. Whether in sports, extra-curricular activities, or in the classroom the underclassmen have supplied us with the laughter and support we needed to get through a stressful senior year. And though some of us may be leaving next year our ties with these young adults will never come undone. We have set an example for them to follow and they learned from our mistakes and accomplishments. In good hands we leave this Regional. A school destined for change, with our underclassmen preparing to be sent on their own way.

# Together Along the Way

The clubs and organizations at WRHS have been part of the exciting and rewarding experience given to the class of 1998. To name a few of the services provided one need not look far. The student council has provided us with four years of great activities and many of our clubs have helped to give back to our community. We have provided food baskets to the needy, organized blood drives, and helped educate our school about AIDS. We have learned teamwork and dedication. We have worked hard during these four years to provide school spirit, and many educational opportunities that can not be found solely in the confines of the classroom. As members of these organizations we have not only received great rewards, but we have shared our talents, and gifts with others.

This year the 1998 Mountaineer yearbook staff worked very hard to put together a book that would represent everyone in our class as well as the best memories of the past four years here at Wachusett. Our staff not only had the task of learning how to create a yearbook, but how to put it all on computer too, which was something different for all of us. It wasn't easy, but all of the long nights, weekends, and vacation time paid off. We present this book to you, the class of 98', in the hopes that you will enjoy it for years to come.

# Guiding Our Way

Support, encouragement, and guidance, are only a few of the words which describe what the WRHS Faculty has meant to us, the class of 1998. They have been a constant presence throughout our four years, sharing their endless wisdom, and the more important gift of caring. They have supported us in our pursuits not only in the classrooms but in our day to day activities. The faculty could always be found cheering us on during important athletic competitions, and they were the first to give a standing ovation during our plays and concerts. They gave us the encouragement needed to make it through. Whether it be our lunch ladies or a guidance counselor, there was always someone there to listen. The faculty cared by helping to prepare us for the road ahead and they've been the example we have followed during these past four years. They have shown us the way.

To the Class of 1998:

It is always a special honor for me to be asked to write a letter to a graduating class. In the case of the Class of 1998, I feel especially privileged to address you because I have had the opportunity to serve as your class advisor. This role has given me a chance to get to know many of you in informal settings, and as a result I have truly been enriched by my association with this class.

As seniors, I am certain that many of you feel very ready to leave Wachusett, especially as the worst manifestations of "senioritis" begin to unfold. Your classes begin to appear to be especially burdensome and some of the rules and procedures which were easier to submit to when you were fourteen, sometimes cause resentment to someone who is eighteen. My hope, however, is that none of you will feel any bitterness towards this high school which has tried to be of service to each and everyone of you. Instead, I hope that each of you leaves with a feeling that you have been well prepared for all that lies before you, and that you will think fondly of Wachusett in the years to come.

You are a class that many of us will remember for a long time. In that you have left a very positive mark on Wachusett, it is my sincere hope that Wachusett left its positive mark on each of you.

Sincerely,

A handwritten signature in black ink, appearing to read "Thomas G. Pandiscio".

# Victory is Our Way

Whether in the fall, winter, or spring seasons, Wachusett has always displayed a level of athletic excellence, and this year was no exception. One of the best group of senior athletes ever to attend the Regional have led their respective sports teams to new heights. On and off the field, the track, or the court these seniors were active in sending the Mountaineers on the sometimes tumultus road to victory. And finally, as we look back on the four years we have flooded with blood, sweat, and tears, we are satisfied to have helped make Wachusett sports what they are today. We have upheld the tradition of excellence and set new standards for future athletes to strive for.

This years team made school history by becoming the first boys' soccer team in WRHS history to win three consecutive Central Mass District Championships. The team defeated a tough St.John's team in the District Final by a score of 2-1 in sudden death overtime. They also won their second consecutive Mid-Wach A regular season title by going 9-1 in league play. However, the team was defeated in the state semi-finals by a strong Ludlow team that went on to be state champions. Although the team did not reach its goal of a state championship, it did finish with a record of 17-2-1 which is something to be proud of. The seniors on the team were goalkeeper Ben Coy (captain); defenders Jeff Autenrieth, Brian Bazinet, and Seth Resnick; midfielders Dave Wickman (captain) and Jay Jumonville; and forward Drew Weymouth. The team was coached by Richard "Skip" Knight, Brian "Peach" Davis, Dan Nordberg, Skip Graham, Dennis Coy, and Dave Gentleman. Talented underclassmen contributed to the team's success, and should contend for a state title again next year. Congratulations on another great season.

## "IT'S A GREAT DAY FOR HOCKEY"

BOB JOHNSON

The Wachusett hockey team had a successful year in the 97-98 season. The team finished with a 9-9-2 record in the regular season. They were Russell Conference Champions for the second year in a row, and made it into the districts. Seeded tenth, the team beat Fitchburg and Westboro to advance to the Semi-finals. Wachusett played Auburn where they had a heart-breaking defeat in double overtime. The team gave everything they had on the ice and should be commended for a terrific season. The final record was 11-10-2. The Co-MVP's were goalies Dana Sanford and Dave White. The coaches award went to Chris Breeds. The All-stars were senior Brian Bazinet, and juniors Chris Breeds, Dave Cappucci, and Jared Grinkis. I would like to thank the whole team for a great year and good luck next season.

It was the most successful season in Wachusett track history. The 1997-98 team captured the Massachusetts Class A State Championship for the first time in school history. In a thrilling victory, the boys' team beat out St. Johns Prep of Danvers, by one point. All season long this team showed exceptional dedication to the sport along with leadership and spirit as they rampaged through the state capturing not only the state title, but also the Mid-Wach A title, and the Central Mass title. The Wachusett Gymnastics Team coached by Deb McColl had a great year. The team was dedicated and enthusiastic. The girls not only put their time, and efforts into improving their scores from the first meet they put their heart and souls into it and it showed. The beginning of the season started off on a slow note, with one of our top competitors receiving an injury that kept her out of competition for the better part of the season. We came back strong from that first meet, and pulled together as a team. The year was full of improvements not only in ability, and presentation, but in maturity and unity. Our all around competitor Kate McCarron, one of the three captains, had a lot to shoulder and pushed the team to give it their all. Kate gave the team high scores, and a lot of hard work. Beth Lynn Wilson, another captain, was the motivation and spirit for the team. She kept the team laughing and made those long days at practice easier to handle. Sara Wilson was our organizer and the final glue to the team. She made sure all our meets ran smooth and kept the girls together, stepping in when Deb needed a hand. MVP for the season was Kate McCarron, and the coaches award went to Dara Drawbridge. In the end it was all the gymnasts with their hard work, enthusiasm, and strong abilities that made the team what it was...A success.

As a first year sport at Wachusett, the wrestling team attracted both upperclassmen and underclassmen. The team wrestled in a difficult division, including the state ranked team of Milford. Out of seven matches, the team had one win, but looks promising for next year. The captains were Matt Williams and Nick Tashjian. Matt Williams, who received the MVP award, came in fifth in the sectionals, and sixth in states. Nick Tashjian was given the coaches award.

The football cheerleaders had a great season this year. There were many new talented girls and everyone worked well together. This fall season proved to be one of the best for the girls, and the football players provided many exciting and memorable games. The weather also contributed to many interesting situations, but we managed to have fun through it all. (Singing "My Guy" with el radio). The seniors were Melissa DiPerri (captain), Aimee Stukowski (captain), Erin O'Malley, Sarah Wetzel, and Sarah Merrit. Coach Lorraine Raymond stood by the girls all season, and will be greatly missed next year. The MVP was awarded to Melissa DiPerri and the coaches award went to Erin O'Malley. Congratulations to all the teams and good luck next year football cheerleaders. (You've got sauce).

The varsity basketball cheerleaders enjoyed an unforgettable winter season this year. All of the girls showed determination and positive attitudes which contributed to their success as a team. They placed in several of their tournaments and displayed their strong spirit at every competition. The five new freshmen worked hard during the entire season and will provide strong leadership in the future. All the new members strove to meet the expectations of the team under the leadership of juniors Sarah Parsons and Janelle Smith, and seniors Melissa DiPerri (captain), Sarah Wetzel, and Sarah Merritt. Sarah Parsons was awarded the coaches award, while Melissa DiPerri earned MVP.

Senior co-captains Adam Heppe and Eric Goodman led the 1998 Wachusett baseball team. Great pitching and a strong hitting effort facilitated the team's will to win. There were seven seniors contributing to this year's squad, as well as nine juniors. Halfway through the season, the team posted a 7-3 record and was ranked 7th by the Telegram & Gazette. The most exciting win came at the expense of the Johnnies, after a nine-inning war. Senior Dan Generelli and juniors Andrew Dickhaut and Matt Dunn led the pitching assault. Generelli was 3-0 with a 0.90 ERA at the mid point, as well as a solid center field. Adam Heppe and Eric Goodman along with junior Joey White have led the hitting parade. All three post batting averages topping the .400 mark. Goodman is a "wall" in his second season at first base, while Heppe rotates between designated hitter, catcher, and left field. Starting at second base is senior Benji Coy. Coy has been instrumental at moving base runners this season. Senior Charlie Larner has been playing solid right field. Larner was also the starting pitcher in a tough win over Milford. Senior Brian Bazinet pitched strong relief in key wins over Milford and St. Johns. Although plagued by injury, senior pitcher Chris Martin is working hard to get back in the line up. The captains would just like to thank the players for their hard work and motivation this season, as well as the parents and fans for their support. We would like to wish good luck to next year's team; it's been a blast!!! Written by Adam Heppe and Eric Goodman

This year's varsity softball team was, for the most part, a new team. We had 5 returning seniors: Betsy Ahearn (captain), Missy Swift (captain), Jen Bodinizzo, Jodi Cross, and Christina Merchant, 5 juniors, and two incoming sophomores. With so many different personalities on the team, it is amazing how all of us just clicked and got along so well together. We started the season with some tough losses to some very good teams. We had our ups and downs as all teams do, but with the help of each other, we kept our spirits high and continued to play as a team. We would like to wish next year's team the best of luck, and thanks for a great season to our coach Mrs. Burton.

The 1998 golf season went very well. After losing four tournament players from last year, the team was led by returning senior players Erich Komenda, Joe Dunphy, and junior Jody Platt, and was able to turn in a respectable record in a very tough league. We were also supported by seniors Seth Moriarty and Leroy Malett, juniors Steve (Cullina) Favreau, and Chris Birkbeck, sophomore Dave Dunphy, and freshman Jeremy White. Our top three players swept rival St. Johns in a pivotal early season win at Holden Hills that showed how much talent the team truly had. We went on to play well in the League and District tournaments and to win many other matches as well. The entire team proved to be excellent match play performers and this worked out extremely well as high school golf is very much a team sport. Everybody on the team did their part to ensure we had a good season.

# Supporting Our Way

Many of us here at Wachusett could not have soared to the heights we did without the unending support of our parents. They watched our track meets in the rain, and endured freezing cold temperatures at football games. Our parents have applauded our achievements at academic award nights, set up parent-teacher conferences, and visited us at work. We can never fully thank those guardians who shuttled us to the movies or took endless phone messages from dial happy friends. As we matured over the years our parents have played a prominent role in sending us on our way. When we pack our bags this fall we will be sure to store the many wonderful memories they have provided us with and the lessons that they have lovingly taught.

## SPECIAL THANKS!!!!

The advisors and staff of the Mountaineer would like to send our many sincere thank you's to all the extra people that made the publication of this book possible.

First thanks go to Arnie Lohmann, our company representative from Jostens Publishing. Through all the questions and trials he was a key in the creation of our first book using Yeartech. Also from Jostens, we thank Rick Brooks and Karen VanVleet from the Creative Resources Department who were patient in making various changes to the different pieces of art used throughout the book.

Secondly, we thank Wayne and Bev Myers of **Myers Studio** for their time and commitment. This being our second year working together, things seemed to run a bit more smoothly. (Although, maybe we're just getting better at faking it.) Wayne did a super job this year in training the key members of our photography staff allowing for a professional quality of the student contributions. In addition Wayne and his staff could be counted on for the last minute "emergency" photo shoots and developing. It is the commitment of **Myers Studio** that enabled us to produce a fine quality book of which both the staff and recipients can be proud.

A third thanks goes to Amy Kathman and Della Ritland for numerous class lists, labels and general time saving efficiencies that made our job easier. And of course we have the custodial staff to thank for sweeping up our scraps, keeping track of the Pepsi machine status, and reminding us to go home!

My own personal thanks goes out to Financial Advisor Maura Goddard. Thanks Maura, not only for your innate financial wizardry but also for the extra time and effort in the creation of the book. Your dedication in a year that has had its share of heartache is especially appreciated. You are not only a MASTER CROPPER but also a MASTER FRIEND.

Last but not least, THANK YOU, THANK YOU, THANK YOU to the students on the staff. Amie "D" what can I say - you are the Adobe Master if ever there was one. Many successes are due to you and you will be sadly missed next year especially on Friday nights, Saturdays, and of course vacations. Hilary, you are my favorite entertainer and caption creator, thanks for the laughs. To Kristine and Glenna - team work at its best - you never let the deadlines or my constant redirection of your pages frazzle you. For the beauty of the ad pages Holly, thanks for taking them by the tail and giving them a great big yank! Jen besides taking care of the underclassmen, you came through on the sports collage and general last minute "stuff" under the gun of the wisdom teeth removal. Maureen, I haven't seen anyone handle Mr. Lewis or the team captains with the success you did - what's the secret? Marleen's terrific organizational skills were key in dealing with the chaos of the WRHS organizations (misnomer???) For the crazy hours spent and assignments completed, numerous thanks go to Keith, Amanda, Melissa, Linda and Seamus. You have all made this year of hard work and outrageous computer dilemmas bearable and I'd venture to say-FUN!!!

To the class of 1998, you have the above mentioned students as well as the additional support staff listed on 168 to thank. They sacrificed weekends, vacations, sleep, study halls and social lives to preserve your memories. I can only hope to get a staff of equal caliber for the 1999 book.

Thanks for the memories,  
*Lynn Leschke, Mountaineer Advisor*

### Colophon

The **Mountaineer** is an annual publication by the Yearbook staff at Wachusett Regional High School, 1401 Main Street, Holden, Massachusetts 01520. The towns served by the high school are Holden, Paxton, Princeton, Rutland, and Sterling. The book was distributed to the class of 1998 at a class social held in mid August of 1998.

The book was printed in Winston-Salem, North Carolina at the Jostens/Hunter Publishing Division. The press run was 550 copies. The staff was assisted in the design of the cover and endsheets, by Rick Brooks of the Creative Resources Department of Jostens, and by the company representative, Arnie Lohmann.

Our cover is a school-designed Truelife Combo lithograph. The base material cover is white (#478) with the addition of mix-to-match inks. The litho-process cover has film lamination for protection. The trim size is 8.5 by 11 and Smythe-sewn. It is wrapped around 120-point binder's board. The school follows the Accent Program.

The front and back endsheets are from the Cross Point paper line and are orchid (#299). Each is bordered by a Curtis B Flannel background. Endsheets art and logo were created by Karen Van Vleet of the Creative Resources Department of Jostens and used throughout the book including the divider sheets.

The paper used throughout the book is 80 pound gloss, printed with standard black ink. Sixteen pages were printed using the standard four color process. The fonts used as the major typestyle include Palatino (#141) and Palatino bold (#143). Assorted other type fonts were used at the discretion of the page editor.

A current events supplement, **World Beat** (produced by Jostens) has been sewn into the book between pages 240-241.

Senior portraits were taken by **Wayne Myers** and his associates of **Myers Studio**, Sterling, MA, the designated official yearbook photographer. (Other professional photographers did some of the senior portraits.) Athletics (both team and candids), clubs organizations, faculty, and major school events were photographed at no charge to the yearbook by **Myers Studio**. In addition the studio provided the yearbook staff with film, developing, and equipment at no additional cost. Candid photographs were taken and/or donated by various members of the class of 1998, the yearbook staff members, Myers Studio, and the advisors. **O'Connor School Portraits** photographed the underclassmen for student ID's and made these photos available to the yearbook staff at no cost.

The approximate cost of printing the book is \$30,000. This figure includes publishing costs, freight charges, shipment of materials to North Carolina, color candid photography expenses (purchase of film and developing costs), and other supplies. The per copy cost to the public is \$45.00. Monies are raised through an assessment to the Senior Class per student, a parent ad and patron/sponsor solicitation campaign, a business ad solicitation campaign, and the proceeds from two soda machines in the gym corridor. These 276 pages are representative of the entire Wachusett student body and their community.

**A**s we count down the final days, walk through the corridor to our last class, and close the locker doors that we will never open again, we carry with us the experiences that we have shared and flood the hallways with the memories of the four years that have passed. Over the years, we may strain to recall all that has happened to shape and mold us into who we have become; but what will remain will be that one teacher who made a difference, the class that inspired you to pursue your career, or the friend that stood by your side through it all. High school has sent us on the road where we will embark each of us in our own direction. So for the last time, look at the field as our own and the school as our home. Then look further, as adults now, into our futures... stretching over the horizon... beyond the mountain... and on our way.
